

# My actions create prosperity

## **My actions create prosperity.**

I take positive steps to generate wealth and abundance. I attract prosperity into my life. I welcome both material and spiritual abundance. I am grateful for everything I receive from the universe.

## ***I understand my actions affect my prosperity.***

I make the necessary changes to move toward wealth. I understand the law of cause and effect. My actions have a direct impact on my prosperity, so I make decisions that increase my wealth.

I use my subconscious and instincts to boost my prosperity.

I use the power of visualization and manifestation to see the prosperity in my life. I focus on the actions that increase my power, wealth, and authority.

I share my prosperity with my family, friends, and others.

My loved ones encourage me to increase my wealth. I know material objects are only

one part of prosperity. Health, joy, and strong relationships are also part of my wealth. ***I use my wealth to lift up those around me.***

I break through my financial obstacles. I remove the stumbling blocks in front of me.

I release the fear and inhibitions that prevent me from enjoying money. Instead, I focus on growth and enjoy my riches.

Today, I focus on prosperity. I take action to bring abundance into my life.

## **Self-Reflection Questions:**

1. What is one new habit I can start that will lead me toward prosperity?
2. What can I do to enhance my mindset toward prosperity, so my actions are more focused on abundance?
3. How can I help the rest of my family take steps toward prosperity?
